

Ceremonie songs

By your side
Candle in the wind
Close to you
Come away with me
Eternal flame
Fallin'
Feelin Good
Fields of gold
First time ever I saw your face
Heaven
Hello
Hopelessly devoted to you
I do
I do
I got you babe
I will always love you
If I ain't got you
Ik heb je lief
I'll be there
Isn't she lovely
Just the way your are
Knocking on heaven's door
Leun op mij
My girl
Natural woman
Oh happy day
One day I'll fly away
Power of love
Ribbon in the sky
Save the best for last
Save the last dance for me
Say a little prayer
Signed, sealed, delivered
Take my breath away
The prayer
Time after time
Tonight I celebrate my love for you
Unforgettable
Wind beneath my wings
Wonderful tonight
You are so beautiful
You are the sunshine of my life

Standards

At last

Autumn leaves

Night and day

Shadow of your smile

The way you look tonight

When I fall in love
